On February 22, 2025, Toyota Woven City held a Phase 1 completion ceremony at the Kakezan Invention Hub, one of the places in Woven City where Weavers will use and experience the products and services developed by Inventors, to express its gratitude to those involved in the construction, as well as to the local community and everyone involved in the automotive and other industries.

Chairman Toyoda delivered remarks at the event. To read his remarks and learn more, please see the article by Woven City here.
