

2026 Toyota Crown

April 01, 2025

Image not found or type unknown

With its bold and dynamic design, the 2026 Toyota Crown provides a unique offering by blending elements that are typically found with both sedans and crossover SUVs, like with its coupe-like roofline and its higher ride height. The Crown offers advanced technology and is efficient yet powerful with its two distinct hybrid

powertrain options: Toyota Hybrid System and the Hybrid MAX.
