For 2026, the Toyota Camry is amping up its design offering with the bold new Nightshade Edition. Built upon the SE grade, the Nightshade Edition boasts a striking sporty appearance featuring new Midnight Black Metallic design elements throughout, including the front grille, air curtains, side canards, door handles, mirror caps, shark

fin antenna, rear lower sport diffuser, and rear spoiler. Also included are 19-inch satin-black wheels and gloss black badging.
