For the 2026 model year, the Corolla Hatchback welcomes the FX edition into the fold, igniting the spirit of the legendary FX16. This special edition masterfully blends nostalgic charm with contemporary dynamism, injecting a dose of bold athleticism into the already spirited Corolla Hatchback. Based on the SE grade, the Corolla

Hatchback FX adds a black vented sport wing for aggressive flair and improved aerodynamics. The 18-inch gloss white-finished alloy wheels with black lug nuts give an unexpected wow factor. Other stylish features include a heritage-inspired rear badge reminiscent of the original FX16 from the 80s.
