The 2026 Toyota Corolla Cross is continuing to bring entry SUV customers the combination of style and value that’s just right. Assembled in the U.S. in Huntsville, Alabama, the 2026 Corolla Cross receives two new front fascia designs, with a modern, color-matched grille for the Hybrid models and a bold, rugged grille design for

gas-powered models.?The interior also brings fresh style, with a new front console that maximizes usable space in all grades and a newly available 10.5-inch touchscreen. Also new to Corolla Cross for 2026 is the cool hue of Cavalry Blue exterior paint on select grades; with the option to pair the color with an available Jet Black roof on the SE and XSE grades.?Available in a choice of Hybrid AWD grades or gas-powered models with FWD or AWD, the 2026 Corolla Cross is the compact SUV that is perfectly sized to meet your day’s demands.
