

Corolla Goes Hybrid

November 15, 2018

PLANO, Texas (Nov. 15, 2018) – For the first time in the United States, the Corolla will be offered in hybrid form to add even more impressive fuel efficiency to its list of accolades. For more details on the 2020 Corolla Hybrid, be sure to grab a seat for our press conference on November 28 at 11:05 a.m. PST at the LA Auto Show’s AutoMobility LA here: <https://livestream.com/Toyota/LA2018>
