Marc Perry

Image not found or type unknown

Marc Perry serves as president of Toyota Motor Manufacturing Alabama (Toyota Alabama) where he oversees all production and administrative functions at the manufacturing facility, which produces four-and six-cylinder engines for seven North American assembled Toyota vehicles. Toyota Alabama directly employs 2,400 and represents a $1.7 billion investment.

During his career with Toyota, Perry has held leadership roles in production, engineering and maintenance. He has successfully managed several multi-million-dollar projects helping launch 21 Toyota powertrain lines across Toyota's unit plants in West Virginia, Kentucky, Missouri, Tennessee, and Alabama.

Marc holds a bachelor's degree in electrical engineering from the West Virginia Institute of Technology and a master's degree in business administration from Marshall University.
