2026 Toyota RAV4

May 20, 2025

Image not found or type unknown

The 2026 Toyota RAV4 kicks off the sixth generation of the popular and functional small SUV. It is available in a choice of Hybrid Electric Vehicle (HEV) or Plug-in Hybrid Electric Vehicle (PHEV) powertrains with available Front- or All-Wheel Drive (FWD or AWD), depending on grade. New Core, Rugged, and Sport styles

give RAV4 a fresh look, too. Core designs are available in Hybrid LE, XLE Premium, and Limited grades; the Rugged design is available on a new HEV Woodland grade; and the Sport designs are available on the HEV SE, XSE models. For more about the RAV4 PHEV models, click here. It also launches new versions of the Toyota Audio Multimedia system and Toyota Safety Sense active safety suite.
