

2026 Toyota Grand Highlander

July 31, 2025

Image not found or type unknown

The 2026 Toyota Grand Highlander is available in five grades, three powertrain choices, and two drivetrain options. With spacious three row seating that's ready for adults or kids, enough room for seven small roller bags with the rear seats up, and up to 97.5 cubic feet of rear cargo room with the rear seats folded flat, it's an

incredible package that's made in the U.S. for the whole family. The Grand Highlander also brings leading powertrain choices, with a well-balanced 2.4L turbo gas option, efficiency-leading 2.5L hybrid with a manufacturer-estimated 34 combined MPG, or the ultimate performance-seeking, 362 horsepower Hybrid MAX available. It also has a head-turning sporty design, available front- or all-wheel drive, comfort like multi-zone climate control, and leading tech and safety that make Grand Highlander the perfect package for your all-star team.
