# TRD Manufacturing Goes Beyond the Racetrack

November 07, 2025

Image not found or type unknown

Learn more about Toyota Racing Development’s (TRD) venture into manufacturing Tacoma and Tundra upper control arms and how the team collaborates with Production Engineering, Toyota Motor North America Research & Development (R&D) and its suppliers.

Greg Ozmai, general manager of Operations, and Jeff Peterson, design manager for Commercial Vehicle Development, share how TRD’s experience in the racing environment align with Toyota’s high quality standards.

For more information and to see a demonstration of the progress, please watch the video below.
