The Toyota Land Cruiser enters the 2027 model year with enhancements that further elevate its signature balance of rugged capability and refined luxury. New for 2027, available features now include a High Mounted Air Intake and Heated and Ventilated Second-Row Outboard Seats. A new exterior color, Inked, has joined this

year’s palette. The 2027 Land Cruiser is expected to arrive at dealerships in Spring 2026, with a Manufacturer’s Suggested Retail Price (MSRP) starting at $57,880.
