For 2027, the Toyota Prius is available in four grades: LE, XLE, Nightshade and Limited. Powered by Toyota's fifth-generation Hybrid System (THS 5) paired with a 2.0-liter, 4-cylinder DOHC engine, Prius delivers 194 net-combined horsepower on Front-Wheel Drive (FWD) models and up to 196 net-combined horsepower on

Electronic On-Demand All-Wheel Drive (AWD) models. It also offers impressive efficiency, with an EPA-estimated 55 MPG combined rating on the LE grade. For 2027, Prius adds Dual-Zone HVAC for enhanced cabin comfort and introduces Inked, a new black exterior color.
