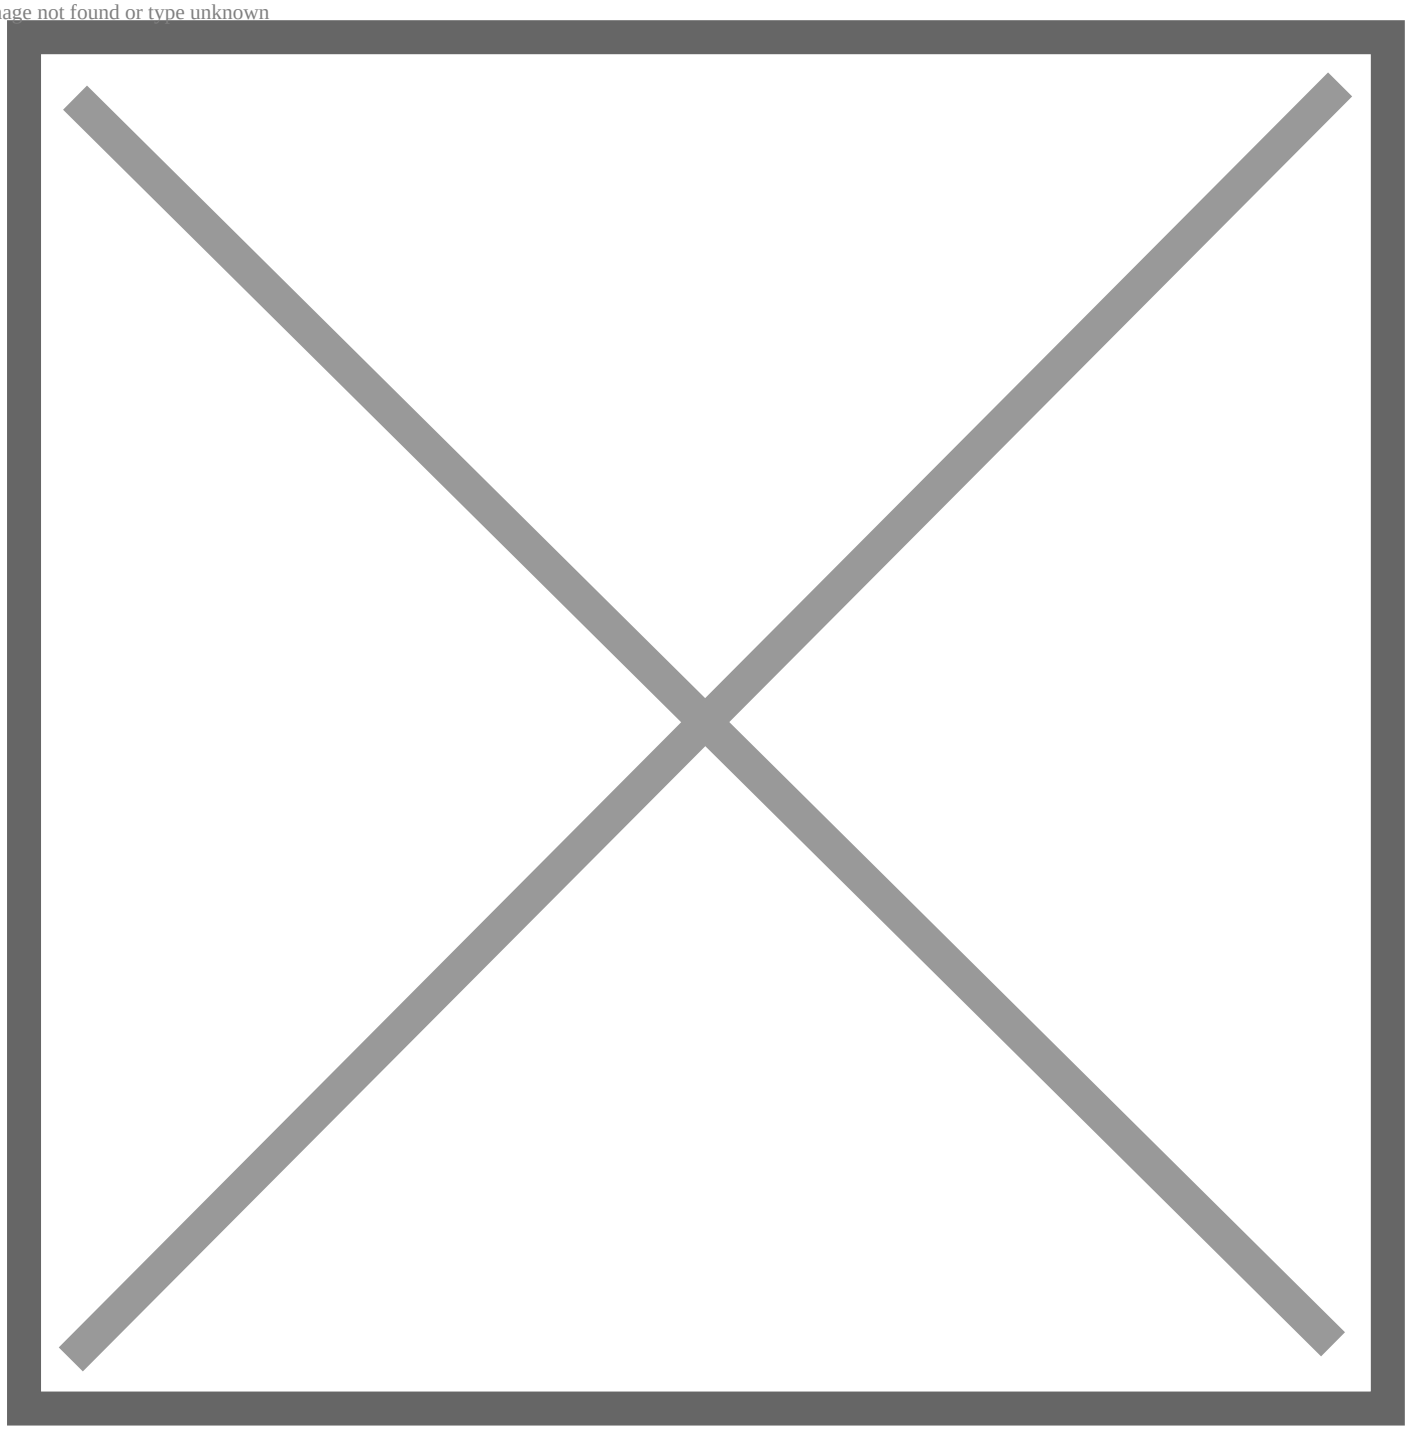
2027 Toyota Tundra i-FORCE MAX

July 28, 2026

Image not found or type unknown



Toyota is introducing an updated Tundra for 2027, sharpening its bold design, advancing its technology and expanding its capability with the addition of the all-new Trailhunter package. Drawing on customer feedback and continued study of how Tundra owners live, work and explore, the updated truck reflects Toyota’s ongoing

mission to build full-size vehicles that strengthen the connection between active lifestyles and genuine truck capability.
