Image not found or type unknown

The 2027 Toyota Corolla Cross is continuing to bring entry SUV customers the combination of style and value that's just right. Assembled in the U.S. in Huntsville, Alabama, the 2027 Corolla Cross gas model has available front or all-wheel drive and comes in a choice of L, LE, or XLE grades. With seating for five, up to 46.9-cubic

feet of cargo space with the rear seats folded flat, and up to a manufacturer rated 32 MPG combined, the Corolla Cross is the compact SUV that is perfectly sized to meet your day's demands.
