The 2027 Toyota Corolla Cross Hybrid is continuing to bring entry SUV customers the combination of style and value that’s just right. Assembled in the U.S. in Huntsville, Alabama, the 2027 Corolla Cross Hybrid has standard all-wheel drive and comes in a choice of SE or XSE grades. With seating for five, up to 21.5-cubic feet

of cargo space behind the rear seats, and up to a manufacturer rated 42 MPG combined, the Corolla Cross is the compact SUV that is perfectly sized to meet your day’s demands.
