The Toyota Crown Signia returns for the 2027 model year by continuing to offer a sophisticated blend of elegant design, premium comfort, and capable performance. As a modern Sport Utility Vehicle (SUV) worthy of the storied Toyota Crown name, the Crown Signia remains a standout in the lineup, providing drivers with a unique

combination of sedan-like handling and SUV versatility. For 2027, a new “Inked” exterior paint comes to Crown Signia and the Limited grade makes the Advanced Technology package standard, adding features like a Panoramic View Monitor and mirrors with puddle lights and reverse tilt down feature.
