

2016 Scion iM Infographic

September 01, 2015

The infographic displays the interior of a 2016 Scion iM. On the left, a vertical list of features is shown in alternating light green and light blue boxes. The main image shows the driver's perspective of the car's interior, with dashed green circles highlighting the speedometer, steering wheel, tachometer, power door locks, cruise control, and dual-zone automatic climate control. Below the main image, a section titled 'ADDITIONAL FEATURES' is divided into five columns, each with a feature name and a small representative image.

Speedometer	Tilt/Telescopic Steering Wheel with Audio Controls	Tachometer	Power Door Locks	Cruise Control	Dual- zone Automatic Climate Control
ADDITIONAL FEATURES					
Height-Adjustable Driver Seat	Leather-Trimmed Steering Wheel	Front Sport Bucket Seats	Engine Immobilizer	Armrest	Eco-Driving Indicator
