

Toyota C-HR Concept Gets a Step Closer to Production

September 15, 2015

Frankfurt, Germany, Sept. 15, 2015 –The Toyota C-HR concept, a stylish and compact hybrid crossover, has been updated with the intention of launching a mass-market version in the not-so-distant future. The new five-door model is currently on display at the 2015 IAA Frankfurt Motor Show (Sept. 15 – 27).
