

Toyota to Show Latest Smart Mobility Initiatives at ITS World Congress in Bordeaux

September 30, 2015

Tokyo, Japan, Sept. 30, 2015 — From October 5 through 9, Intelligent Transportation System (ITS) technologies from around the world will go on display in Bordeaux. Toyota will be one of those hosting an exhibit at the 22nd ITS World Congress (hosted by ERTICO-ITS Europe), and will showcase some of its many ongoing initiatives in this area.

For full details about Toyota's exhibit and initiatives, go to: <http://newsroom.toyota.co.jp/en/detail/9697134/>.
