STRICTLY BUSINESS CARTEL SCION xB

Inspiration of project "Strictly Business" came from the SCION "what moves you" campaign. Major Highlights that make this build unique is its twist on the business coaches with today's entrepreneurs in mind. A few key features that make the build have form and function starts with the Apple Mac Mini, wireless keyboard, mouse and on-board Wi-Fi hot spot. Bluetooth streaming and hands-free mobile calling through the Alpine audio system. All these amenities combined into a SCION xB make for a great productive drive focusing on luxury, style and business - all wrapped into one.
