**NEW YORK – Nov. 18, 2014** – Nickelodeon and Toyota have partnered to transform everyone’s porous pal into a new 3-D concept car based on Paramount Pictures and Nickelodeon Movies’ upcoming film, *The SpongeBob Movie: Sponge Out of Water*. *The SpongeBob Movie* 2015 Toyota Sienna features a custom three-dimensional SpongeBob SquarePants exterior, complete with the character’s Superhero Incredibubble mask that blows real bubbles at the top of the car.
