

# 1983 - 1985 Toyota Celica 002

February 17, 2011

CELICA GT-S -- The Celica GT-S Liftback is joined in 1983 by the Celica GT-S Sport Coupe. Both models offer outstanding handling and performance characteristics, with independent rear suspension and a new electronically fuel-injected 2.4-liter engine. The new engine ups horsepower ratings by nearly 10 percent over 1982. The GT-S Sport Coupe also offers the added security of an enclosed trunk.
