

# 1995 Toyota Celica GT Liftback 004

February 17, 2011

**CELICA STYLE** -- Toyota's Celica GT provides what sporty car enthusiasts are looking for. With its light, rigid body, the Celica handles the road with an attitude all its own. The GT's 2.2-liter four-cylinder engine produces 130 hp. Available in Sport Coupe and Liftback (ABOVE) models, the Celica GT features power windows and door locks and optional wider alloy wheels. An optional sport package on liftback models offers high-performance tires, sport suspension and fabric or leather-trimmed sport seats.
