

1995 Toyota Celica GT Liftback 005

February 17, 2011

CELICA STYLE -- With a choice of 1.8- or 2.2-liter 16-valve four-cylinder engines mated to either a five-speed manual or four-speed automatic transmission, Celica is as much fun to drive as it is to look at. Celica is available in either ST or GT trim levels, and as a Coupe, Liftback or (GT) Convertible body style. Shown is a GT Liftback with optional alloy wheels and rear spoiler. ↻
