

1974-1975 Toyota Corona 4door Sedan 002

February 17, 2011

TOYOTA CORONA -- Toyota's four-door Corona sedan has a bright, new look for 1974. The car, which couples economy with longer and wider styling, also features a standard deluxe interior with reclining bucket seats, tuning fork clock and special padding. Among the Corona's safety items are larger taillights, interlock seatbelts, bigger brakes, wider tires, shock-absorbent bumpers, rear-window defroster and reinforced body. Optional equipment includes a new, bandless, three-speed automatic transmission, air conditioning and AM-FM radio.
