

1983 Toyota Truck 003

February 17, 2011

TOYOTA TRUCK OFFERINGS -- Toyota's line of two-wheel drive trucks for 1983 range from the hard working, low priced, standard bed model (top) to sporty models like the SR5 Longbed (bottom). Standard models feature a new full bench seat for three-across seating. SR5 models have new sleek stripes or optional two-tone paint combinations, reclining low back
