

# 1995 Toyota Tercel DX 2-door 005

February 17, 2011

**HERE'S LOOKING AT TWO** -- The Tercel two-door sedan, Toyota's value leader, sports new styling and a more powerful engine for 1995. The new twin-cam engine increases torque and horsepower to 100 lb. /ft. and 93, respectively. Tercel is offered in two-door and four-door body styles with Standard or DX (ABOVE) trim levels. Optional on the DX are anti-lock brakes (ABS), CFC-free air conditioning, color-keyed bumpers, power steering and a Deluxe audio system. Dual airbags and side-impact protection that meets 1997 federal standards are standard on all Tercel models.
