

Second Group of 25 Winners Announced in Toyota 100 Cars for Good Program

July 10, 2012

TORRANCE, Calif. (JULY 10, 2012) – Toyota today announced the second group of winners of the Toyota *100 Cars for Good*, a national philanthropic program that is awarding 100 cars to 100 nonprofits over the course of 100 consecutive days. Winners are announced each day through public voting on Facebook at www.100carsforgood.com.

Starting May 14 and running through August 21, each day five nonprofit organizations are profiled on the *100 Cars for Good* page. Registered Facebook users are able to vote once daily for the nonprofit they think can do the most good with a new Toyota vehicle. The organization with the most votes at the end of the day will win a new Toyota vehicle. The four runners-up will each receive a \$1,000 grant from Toyota.

“With this announcement of the next 25 winners, we mark the half-way point of the 2012 Toyota *100 Cars for Good* program,” said Mark Lentz, president and chief executive officer of Toyota Motor Sales, U.S.A., Inc. “Toyota created the *100 Cars for Good* program to give to a variety of organizations across the country and to do so with the help and support of the American public. It’s a program that decides which organizations will receive a new Toyota vehicle and we are thrilled to see the outpouring of support from Facebook with thousands of votes.”

The majority of the second group of 25 winners (the first 25 winners were announced in June) provide services in a variety of areas including animal welfare, education, health & safety, and human services to children, adults and the disabled.
