In addition, a \$750 Military Rebate may be used in conjunction with the special APRs.

“In appreciation for all that they have done, and continue to do, we hope these rebates and special APRs make it a bit easier for our men and women in uniform who are in the market for a new vehicle,” said Mike Groff, TFS/LFS Group Vice President of Sales, Marketing & Product Development. “We understand that it’s certainly a tough economic time right now for many military families, so it’s our hope that these special APRs and rebates, which can be coupled with other incentives, will help our troops save some much-needed and hard-earned money.”
