

# Toyota Launches New Product Leadership Campaign

September 21, 2009

**Torrance, Calif., September 21, 2009** – Toyota Motor Sales (TMS), USA, Inc., along with its advertising agency Saatchi & Saatchi LA, today announced its new “Product Leadership” marketing campaign. The campaign highlights six key themes such as dependability and reliability that are critical today given the state of the economy and the industry. This is the first time Toyota has created an overarching brand campaign focusing on common attributes and features shared by many of its vehicles.

The Product Leadership campaign touts specific claims that only Toyota has achieved through its philosophy of kaizen, or constant improvement. This is done through real life, light-hearted situations that demonstrate Toyota’s understanding of what is most important to consumers. The result is a playful campaign that gives relevance to how Toyota is “Moving Forward” with the customer in mind. The six campaign themes, which reflect Toyota’s core values, are:

**Dependability** – “Toyota is rated the highest in dependability among all automakers.”<sup>[i]</sup>

**Quality** – “Toyota has won more Total Quality Awards™ than any other automaker.”<sup>[ii]</sup>

**Reliability** – “80% of Toyotas sold in the last 20 years are still on the road today.”<sup>[iii]</sup>

**Efficiency** – “Toyota is the most fuel-efficient full-line automaker today.”<sup>[iv]</sup>

**Safety** – “No other automaker has won more Top Safety Pick Awards than Toyota.”<sup>[v]</sup>

**Innovation** – “Toyota has more hybrids on the road than all other automakers combined.”<sup>[vi]</sup>

“In times like these, Toyota’s core values resonate with consumers more than ever before,” said Tim Morrison, corporate manager of marketing communications for TMS. “We’ve created a campaign designed to highlight our leadership in these six key areas and create momentum for the entire portfolio.”

The integrated marketing effort includes six :15 and three :30 TV spots, print, out of home, and interactive. The TV spots break today and will run in a variety of network, cable and sports programming, including the season premieres of *Desperate Housewives* and *Brothers & Sisters*.

“Toyota has incredible strength as a brand that transcends its individual vehicles,” said Mark Turner, Chief Strategy officer for Saatchi & Saatchi LA. “Six themes will be in the marketplace simultaneously to break through the clutter, create personal relevance and cumulatively reinforce Toyota as a high-value offering.”
