

2020 Toyota Sienna

October 21, 2019

The Toyota Sienna, still the only family van in the segment offering available all-wheel drive, enters the 2020 model year looking as slick as ever thanks to the newly offered Nightshade Edition for all FWD and AWD Sienna models. Drivers can also enjoy standard Amazon Alexa and Apple CarPlay, compatibility for all grades, AWD for the SE grade as well as a slew of options for LE and SE grades.
