

2019 Toyota RAV4

October 11, 2019

The original Toyota RAV4 arrived in the United States 22 years ago, casting the mold for a whole new industry segment, the compact crossover SUV. With the all-new, fifth-generation 2019 Toyota RAV4, the vehicle premieres, yet again, at the forefront – both for the Toyota brand and for the segment. The RAV4 is available as a gas and hybrid model.
