# Toyota Motor North America Reports U.S. Sales for September 

October 01, 2019

PLANO, Texas (October 1, 2019) - Toyota Motor North America (TMNA) today reported September 2019 sales of 169,656 vehicles, a decrease of 16.5 percent on a volume basis and a decrease of 9.2 percent on a daily selling rate (DSR) basis versus September 2018.

Through September, TMNA reported sales of 1,779,302 vehicles, down 2.5 percent on a volume basis versus the same period in 2018. On a DSR basis, sales were down 2.0 percent versus last year.

Toyota division posted September 2019 sales of 150,796 vehicles, down 15.5 percent on a volume basis and down 8.2 percent on a DSR basis. Through September, Toyota division posted a decrease of 2.5 percent versus the same period in 2018.
"Led by a 51 percent increase in hybrid sales growth over the past three months, we're doubling down and accelerating our pace," said Jack Hollis, group vice president and general manager, Toyota division. "With new hybrid launches on some of our most successful models like Corolla, RAV4, Highlander, and more, we plan to further advance our spot as the hybrid leader for years to come."

Lexus division posted September 2019 sales of 18,860 vehicles, down 23.3 percent on a volume basis and down 16.7 percent on a DSR basis. Through September, Lexus posted a decrease of 1.9 percent versus the same period in 2018.
"Lexus has seen a healthy first nine months to the year, and we are looking forward to a strong year end," said David Christ, group vice president and general manager, Lexus division. "With best-ever year-to-date luxury SUV sales, supported by record hybrid models, are seeing good sales performance and the right product mix in our availability. Guests also are excited to see the updated Lexus RX and GX are arriving to showrooms this fall."
