

Specially-Designed Toyota “Tokyo 2020 Version” e-Palette to Provide Automated Mobility to Athletes

October 09, 2019

TOYOTA CITY, Japan (October 9, 2019) Toyota announced today that it will supply up to 20 specially-designed “Tokyo 2020 Version” e-Palette vehicles to support athlete mobility at the Olympic and Paralympic Games Tokyo 2020, where it will provide automated, loop-line transportation in the Olympic and Paralympic villages for athletes and related staff. The battery-electric, automated vehicles have been adapted specifically for use during the Games based in part on feedback from athletes about their mobility needs.
