

2020 Toyota Yaris

October 22, 2019

The Toyota Yaris sedan shreds preconceived ideas about “entry” subcompact cars. While the Yaris has very high fuel economy estimates and a low price, which you’d expect from a subcompact, it offers a spirited sport sedan driving experience that’s totally unexpected for the segment. How many entry sedans come standard with a Low-Speed Pre-Collision System? Yaris has it, in every grade, as well as other standard safety features.
