

2020 Toyota Yaris

October 22, 2019

Image not found or type unknown

The Toyota Yaris sedan shreds preconceived ideas about “entry” subcompact cars. While the Yaris has very high fuel economy estimates and a low price, which you’d expect from a subcompact, it offers a spirited sport sedan driving experience that’s totally unexpected for the segment. How many entry sedans come standard with a

Low-Speed Pre-Collision System? Yaris has it, in every grade, as well as other standard safety features.
