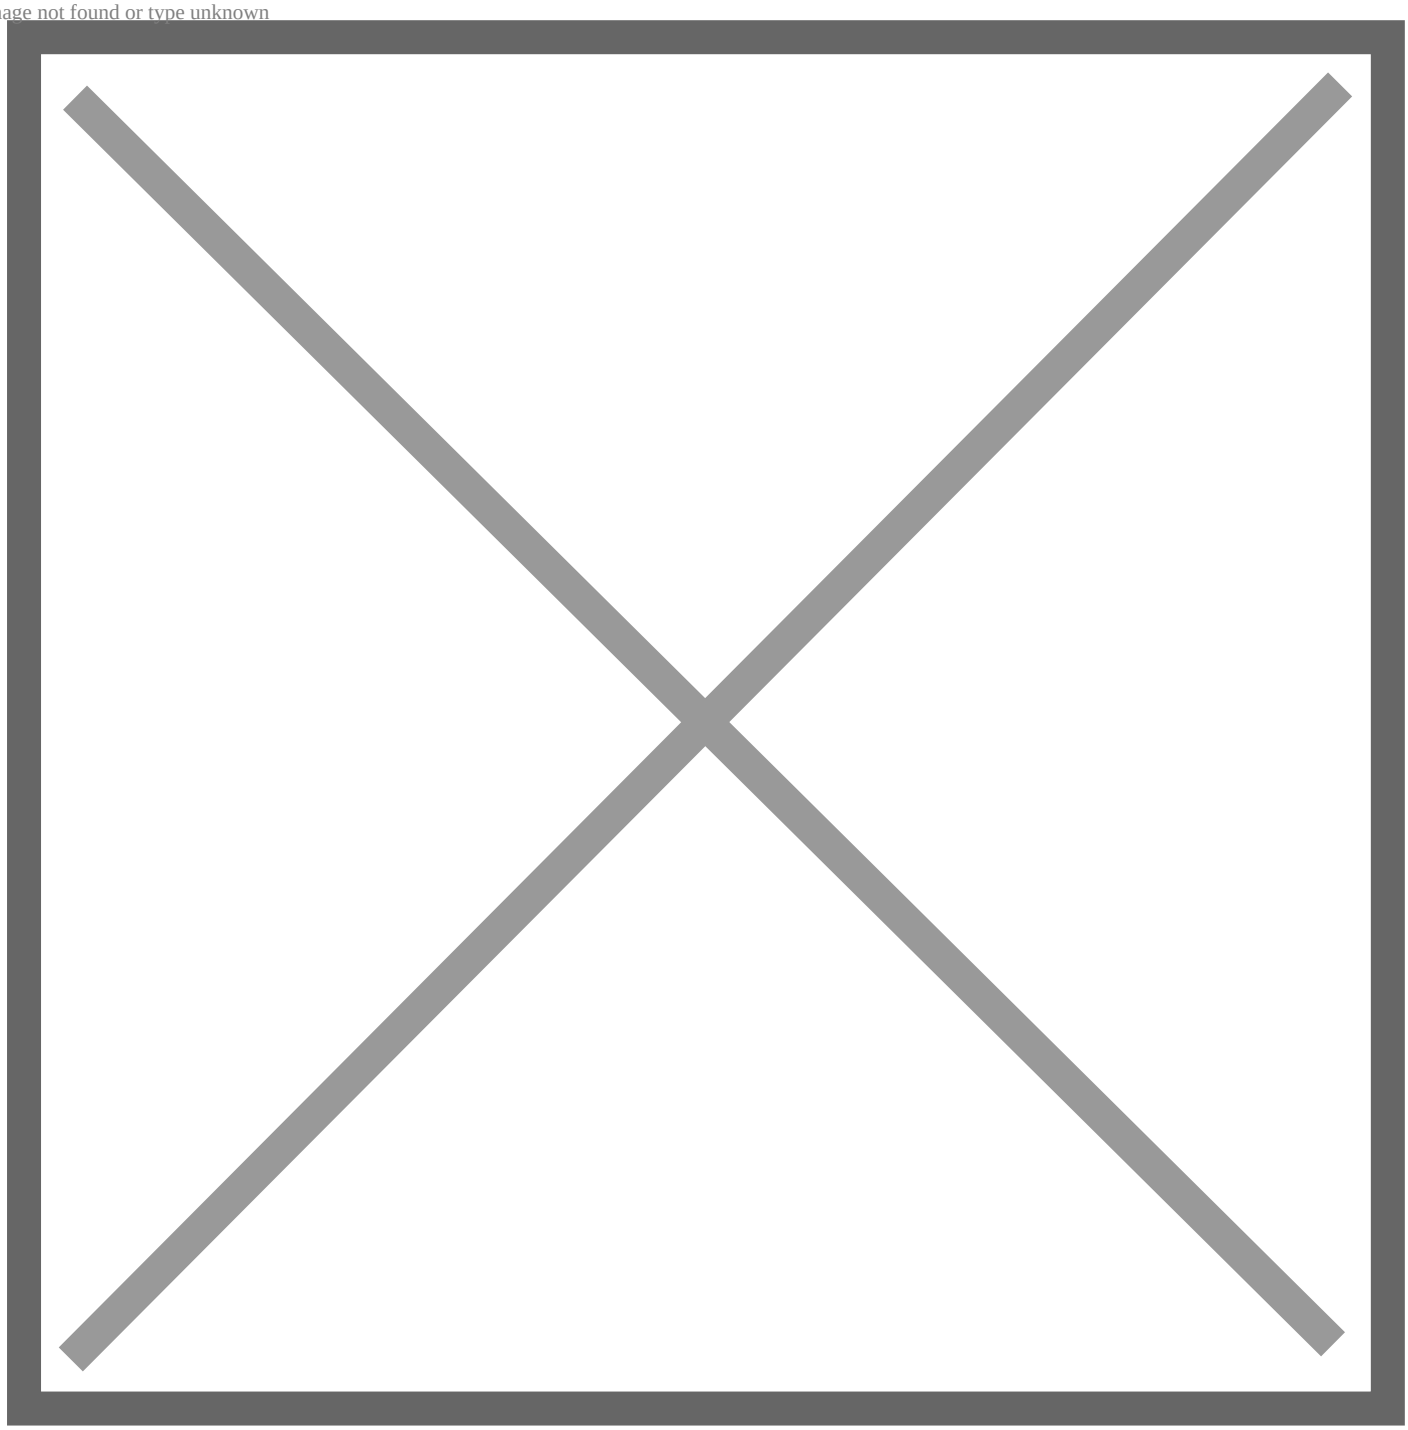
2020 Toyota Camry

November 06, 2019

Image not found or type unknown



The “secret” formula for building America’s best-selling passenger car hides in plain sight. It’s called the Toyota Camry, and it’s held that position for the past 17 years. The eighth-generation Camry, which introduced the most dramatic redesign in the model’s history, enters 2020 with its first-ever TRD performance model while also

adding standard Android Auto® compatibility to its roster of connectivity features.
