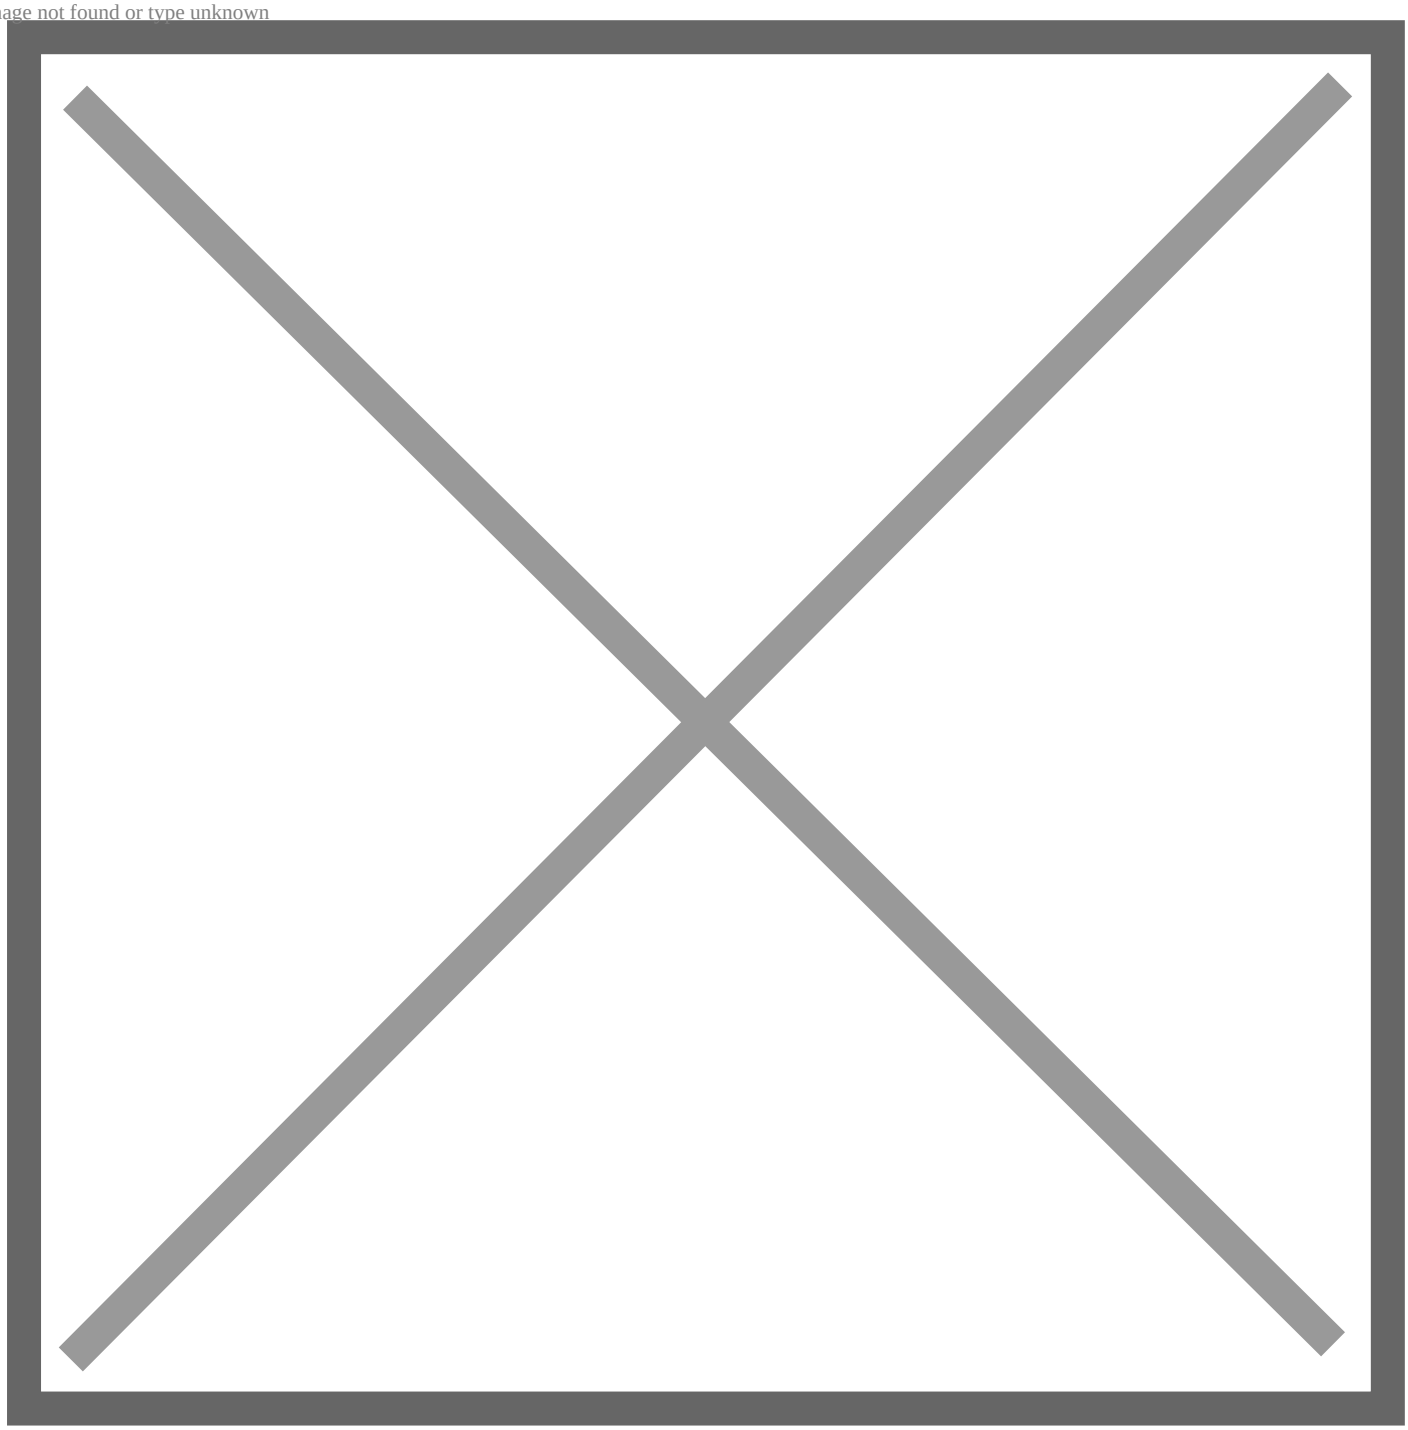
2021 Toyota Tacoma

February 06, 2020

Image not found or type unknown



The Toyota Tacoma has been America’s best-selling mid-size pickup for 16 years in a row, including outselling its nearest two competitor by more than two-to-one in 2020. Tacoma is setting up 2021 for another winning year by adding two new options that include Nightshade Edition and the Trail Special Edition.
