

2020 Toyota RAV4 Hybrid

March 09, 2020

Available in the LE, XLE, XSE and Limited grades, the 2020 RAV4 Hybrid gives drivers the power to choose. In any RAV4 Hybrid, the Toyota Hybrid System II (THS II) works in sync with the 2.5-liter 4-cylinder Dynamic Force Engine to make the Hybrid models performance and efficiency leaders of the RAV4 family, with an EPA-estimated 41/38/40 MPG. It is truly the no-compromise compact SUV.
