

Toyota's response to COVID-19: Monetary and In-kind Donations

March 25, 2020

As a result of the COVID-19 pandemic, Toyota Motor North America, Inc. (TMNA) continues to assist those in need with essential supplies, emergency relief and provide on-going support to many local organizations and non-profits where it does business.

These efforts include monetary, “in-kind” donations, plus utilizing several of the company’s North American facilities to fabricate face shields while consulting with medical device companies to speed the manufacture of ventilators, respirators and other vital devices for the medical community.

Here’s the most up-to-date contributions by location:
