

Kevin M. Butt

Kevin Butt is the Regional Environmental Sustainability director of Toyota's North American Environmental Sustainability Programs. He is responsible for the development of Environmental Sustainability Programs and Regulatory/Legislative development for all of Toyota's North American operations.

Prior to Butt's current assignment, he was the general manager/chief environmental and safety officer for Toyota Motor Engineering & Manufacturing for all of Toyota's Manufacturing operations. Prior to that assignment, Butt served as the assistant general manager of Body Production Engineering for Toyota Motor Manufacturing North America, Inc., (TMMNA). He was responsible for Body Engineering for all Toyota's North American manufacturing operations. Body Engineering consists of Welding, Stamping, and Painting Operations.

Butt serves on several boards including the National Wildlife Habitat Council, Kentucky Fish and Wildlife Foundation, World Wildlife Fund National Council, North American Great Plains Advisory Board and the Yellowstone Park Foundation Board.

He has a Bachelors of Science degree in Environmental Science from Georgetown College.
