Turning 37 can be a tough transition for some, but for the Toyota Camry, it's a celebratory marker for this landmark model's largest, most diverse lineup ever. All 2021 Camry models debut Toyota Safety Sense 2.5+, the automaker's newest version of the groundbreaking driver assist technology suite that includes automatic

emergency braking. Additionally, each grade gets exterior and interior updates, including a new front fascia, new wheels and a floating multimedia screen. New options and packages complete the 2021 Toyota Camry.
