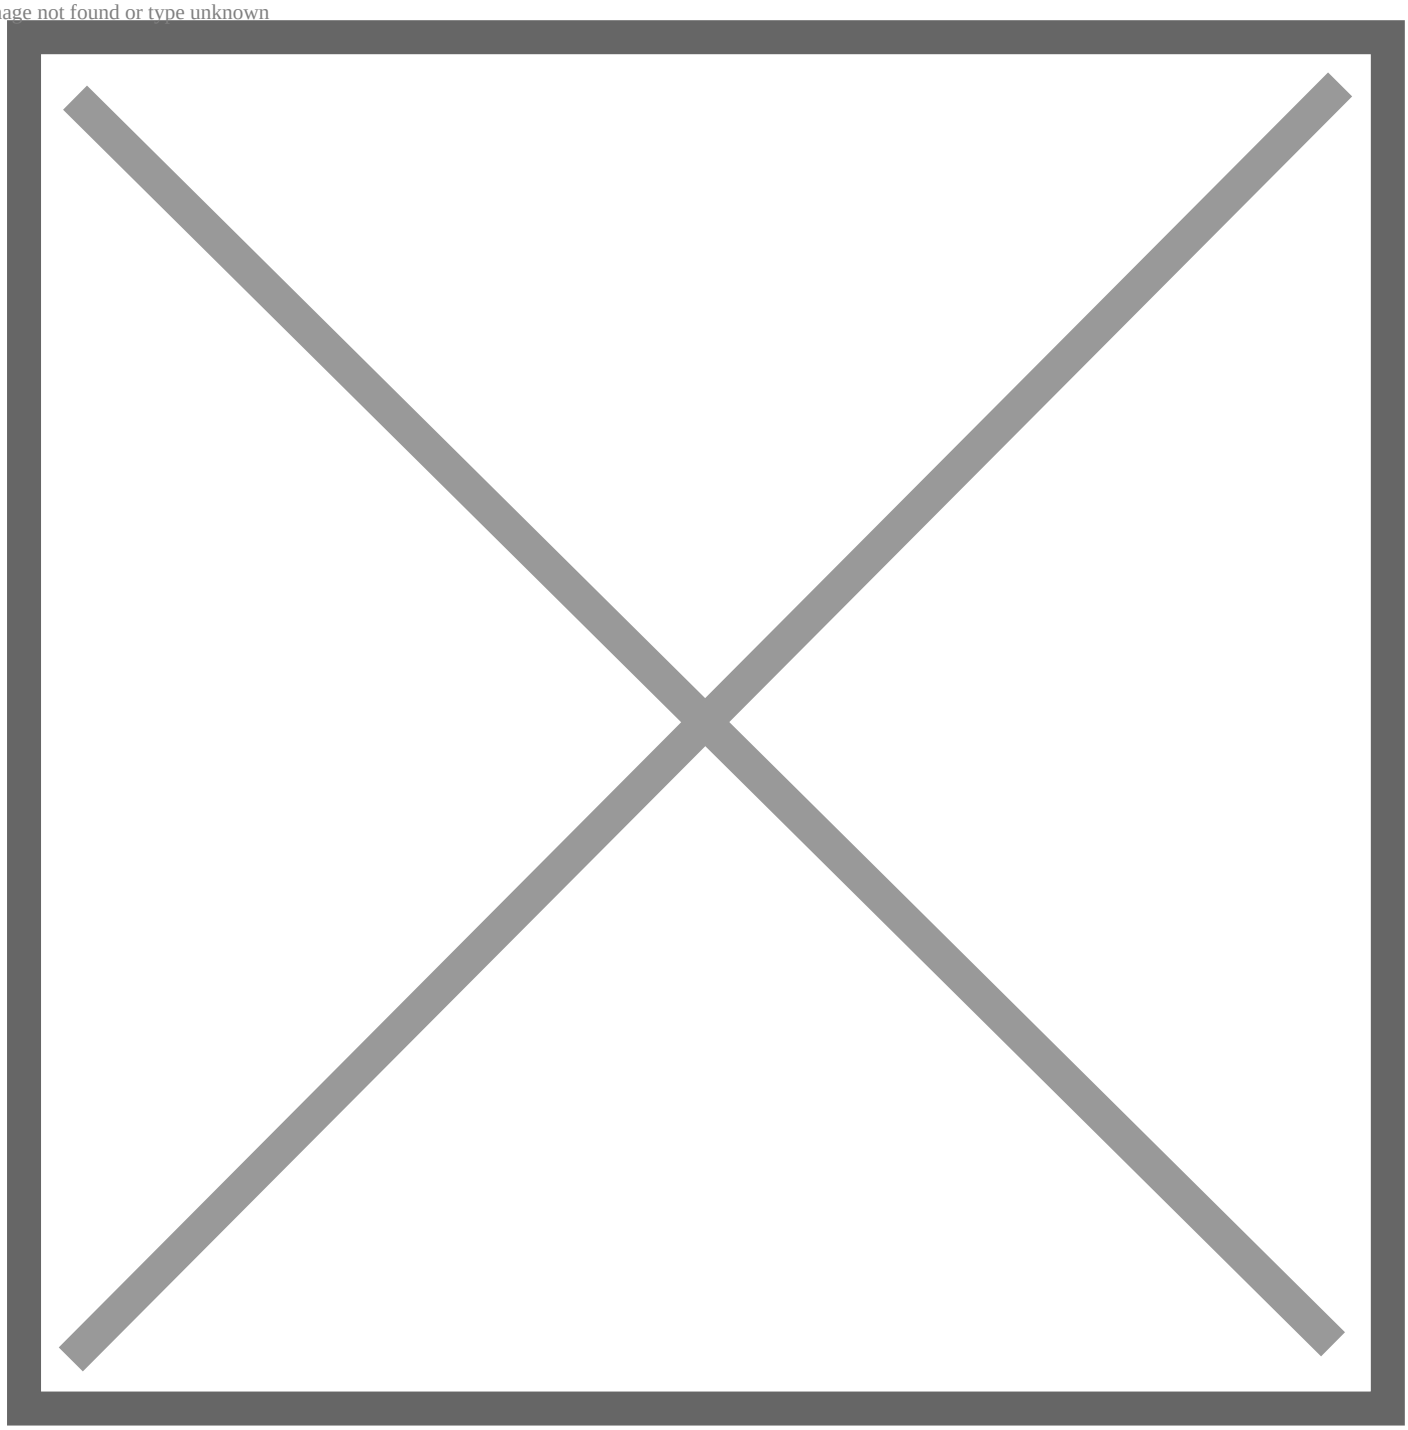
# 2021 Toyota Camry Hybrid

July 15, 2020

Image not found or type unknown



The Toyota Camry Hybrid debuts a new grade for 2021 with the XSE Hybrid, complete with a redesigned front fascia, new gloss-black 19-inch wheels, a floating multimedia screen and the debut of Toyota Safety Sense 2.5+. No matter the grade, each Camry Hybrid uses the fuel-efficient Toyota Hybrid System (THS II) engineered to

provide spirited performance and driving enjoyment.
