In honor of Veterans Day, Hiring Our Heroes ambassador and Medal of Honor recipient Dakota Meyer gives thanks to those servicemen and women who've served this country. He shares his idea of democracy and the definition of success, which is to put others first. Through the partnership with Dakota and Hiring Our Heroes, Toyota supports many veteran hiring initiatives, including the Resume Engine which helps veterans translate their military experience for civilian employment opportunities.

“This Veteran’s Day, on behalf of Toyota and Hiring Our Heroes, I want to thank all of the men and women who have served, I want to thank all of the men and women who are still serving, and all of the men and women who are going to serve in the future. Serving our country is not about an individual, it’s a family business, so thank you all for your sacrifice on behalf of this country.” -Dakota Meyer
