

# Jason Puckett

Jason Puckett is president of Toyota Alabama (TMMAL). He is responsible for all production and administration functions at the manufacturing facility, which produces four-and six-cylinder engines for eight North American assembled Toyota vehicles. TMMAL directly employs 1,800 and represents a \$1.5 billion investment.

Previously, Puckett served both roles of vice president of administration and manufacturing at Toyota Indiana (TMMI). He started his Toyota career at TMMI in 1997 as an engineer in Assembly and has held several other positions.

Puckett holds a bachelor's degree in Electrical Engineering from the University of Kentucky and a Master of Business Administration from the University of Evansville.

Puckett is a member of Committee of 100 and serves on the board of the Business Council of Alabama, the Huntsville/Madison County Chamber, and Huntsville/Madison County Port Authority. Jason and his wife Tonya have two grown children and one grandson. In their spare time, Jason and Tonya enjoy travel, hiking, and the outdoors.
