TOKYO, Japan (March 24, 2021) ?Isuzu Motors Limited, (Isuzu), Hino Motors, Ltd. (Hino), and Toyota Motor Corporation (Toyota) announced today that they have agreed on a new partnership in commercial vehicles. The three companies intend to combine Toyota's CASE technologies with the commercial vehicle foundations cultivated by Isuzu and Hino. Through this collaboration, they aim to accelerate societal implementation and dissemination of CASE technologies and services and to help address various difficulties facing the transportation industry as well as help achieve a carbon-neutral society.
