

2022 Toyota GR Supra

June 02, 2021

The GR Supra's legendary performance and power is back for 2022, with the 3.0 and 3.0 Premium grades with a 382 hp 3.0-liter inline six-cylinder engine and the 2.0 grade with a turbocharged 2.0-liter four-cylinder in the 2.0 grade. Additionally, 600 special A91-Carbon Fiber Editions will be produced. The 2022 GR Supra also adds heated seats on the 3.0, full-screen Apple Car Play compatibility and a hot red leather trimmed interior on the 3.0 Premium.
