

Collision-Assist-Toyota-3

August 11, 2021

The image displays the user interface of the Collision Assistance app on a smartphone screen. The app title "Collision Assistance" is at the top, accompanied by the Toyota logo. Below the title is an icon of a smartphone with a car on the screen. The main heading is "Help is Here", followed by the text "Fast and easy accident resolution, at your fingertips." There are four dots below this text, with the first one filled. A link "Show Emergency Checklist" with an upward arrow is present. At the bottom, there is a red button labeled "GET STARTED". A disclaimer states: "By using this service, you acknowledge and agree to the Terms of Use and Privacy Policy".
