

8 Surprising Things You Can Tow With the 2022 Toyota Tundra

October 15, 2021

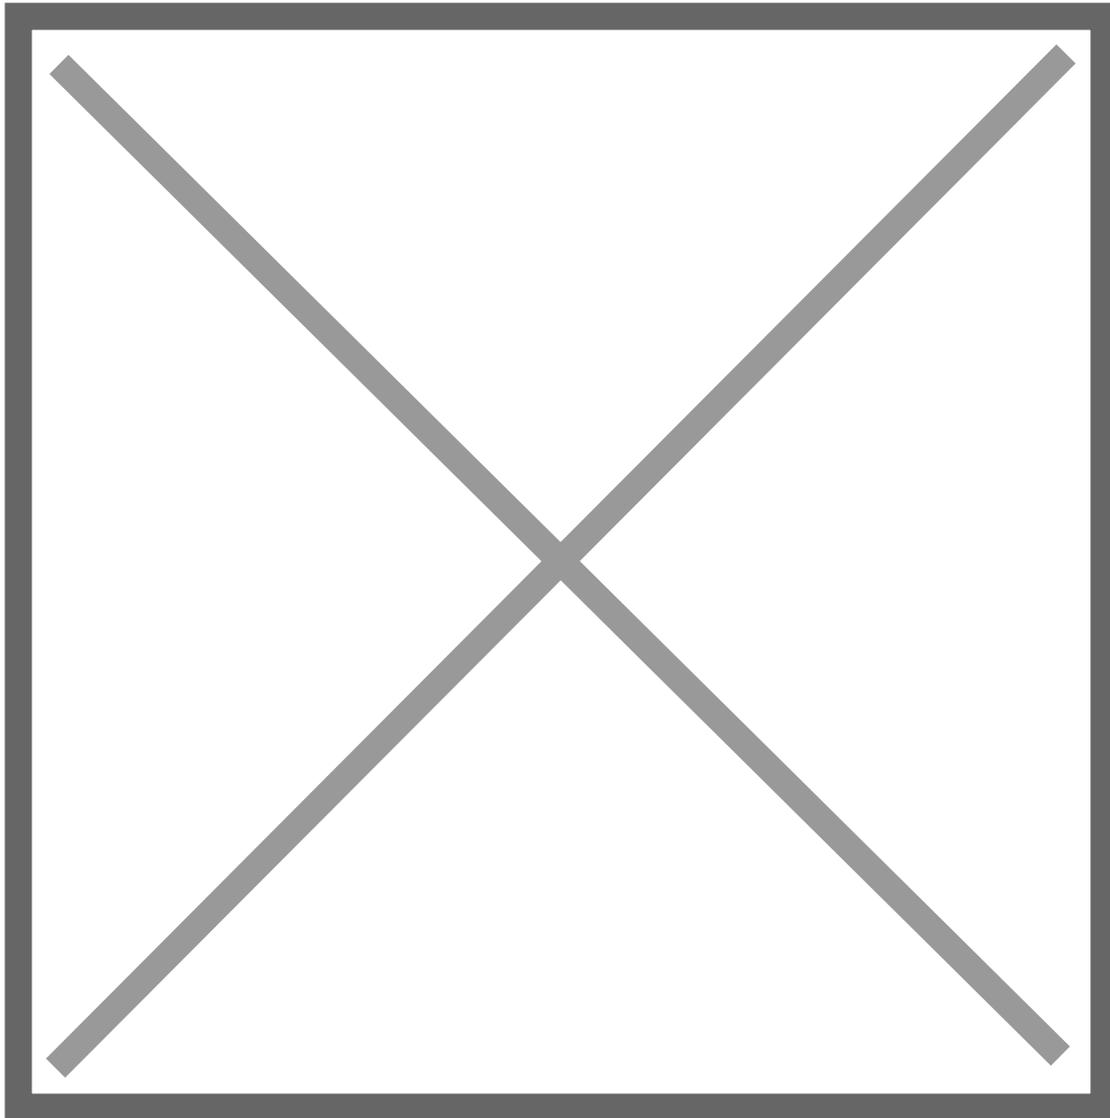

Image not found or type unknown

Forget about your typical tow equipment like boats and trailers. We have the scoop on what the all-new Tundra is *really* capable of.

It doesn't matter if you're towing 12,000 pounds or two bags of marshmallows, the 2022 Toyota Tundra is designed to provide an enjoyable driving experience.

Twelve-thousand pounds may sound like a lot, but how much is it, really? We put it into perspective for you.
