## 2022 Toyota RAV4

November 12, 2021

The fifth-generation RAV4, introduced for 2019, offers the model's widest selection ever, including first-ever RAV4 TRD Off-Road, the Hybrid offered in LE, XLE, XLE Premium, XSE and Limited model grades and the flagship RAV4 Prime PHEV with an EPA-estimated rating of 42 miles on all-electric battery power alone. For
